

Lenten Jesus Tree Verses

GOSPEL OF JOHN

Ornaments by www.dosmallthingswithlove.com

Listed below are the verses that correspond with the ornaments of the Jesus Tree. There are 41 Ornaments in this set, one for each day of Lent, and one for Easter. The dates listed below are just to keep you on track, if you would like. Please note that Sundays are not considered part of Lent, and no ornament is assigned to any Sunday.

There are two different versions of the Jesus Tree, one that follows the Gospel of Matthew and the other that follows the Gospel of John. Below are the verse for the **Gospel of JOHN**. Over the course of Lent, if you do every ornament you won't read the whole book, but you will come close. If you'd prefer, you can, of course, read about these stories in one of the other Gospels as well. Make sure to use the ornaments designed for the Gospel of John with these verses.

Again, please note, ***there is no ornaments assigned to the Sundays during Lent*** as Sundays are not included in the 40 days of Lent.

Jesus Tree

Printable Ornament Instructions and Ideas

Thank you so much for purchasing this printable! I hope you find it easy to use and that it adds something wonderful to your celebration of the Lenten Season.

Included in this purchase you should find the following:

- Instructions and Ideas
- 41 Large Ornaments to Color
- 41 Mini Ornaments to Color
- 41 Mini FULL COLOR Ornaments to print and use
- Printable Cross for Mini Ornaments to Color
- Printable Cross for Mini Ornaments that is FULL COLOR
- Guide to Bible Verses for the Jesus Tree

First, what is a Jesus Tree?

A Jesus Tree is very similar to a Jesse Tree, only instead of walking through all the people that led up to Jesus, a Jesus Tree walks through all the events of Jesus' life. Also, while you use a Jesse Tree during Advent, a Jesus Tree works well during Lent.

This Jesus Tree includes 41 ornaments, one for each day of Lent and one for Easter. ***Please remember that Sundays are not included in the 40 days of Lent***, so no ornament is assigned to Sunday. For all the dates, see the Verses Document.

As mentioned, each ornament depicts a certain event in Jesus' life and corresponds with a specific passage in the Gospel of Matthew. Although you can add more to your time with the Jesus Tree each day, the basic practice includes looking at the symbol, reading the verses and discussing what this story teaches us about Jesus as well as what it teaches us about the way we should live.

General Instructions:

All of the ornaments and "tree" are in a PDF and ready to print. You can print on any kind of paper but, for durability, I recommend cardstock.

Included in this printable bundle are 3 different variations of Jesus Tree Ornaments.

1. Large Jesus Tree Ornaments to color: These ornaments are 3.5” in diameter and come 6 ornaments to a page. They need to be colored and after they are colored, simply punch a hole in the top and add a string so it can be hung.
2. Mini Jesus Tree Ornaments to color: These ornaments are smaller, 1.5” in diameter, and also need to be colored. They come 24 to a page. Since they are small, however, they are designed to be cut out and glued to the printable “countdown cross” also included in this bundle.
3. Mini Jesus Tree Ornaments that are FULL COLOR: I thought that some people might not care to color, so I also included a full color version of the mini ornaments. These simply need to be printed, cut out and pasted onto the countdown cross. (see image to the right)

What should we use for our Jesus Tree?

There are several possibilities for hanging and displaying your printable Jesus Tree ornaments during Lent. The first three ideas will work well for the large ornaments. The final idea is for the mini ornaments

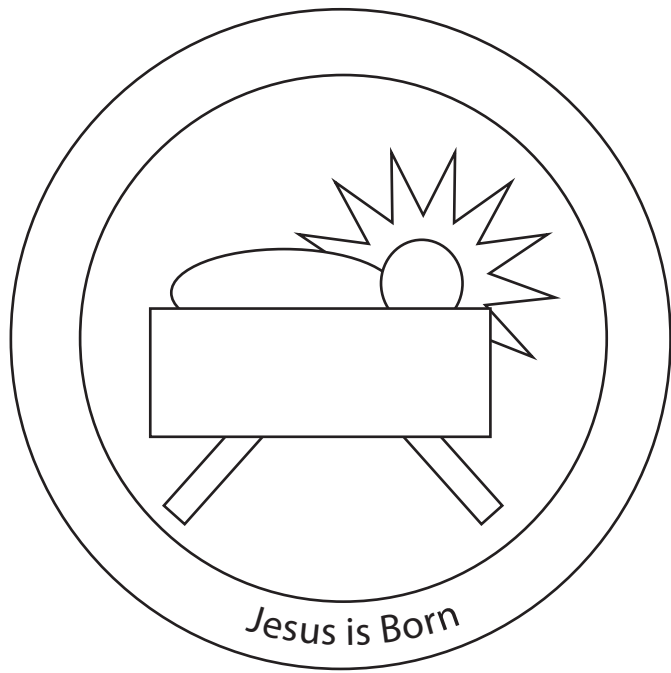

1. My family uses a large branch we remove from one of our trees as our Jesus Tree. Once the branch is cut we place it in water and set it upright in our living room. This can be particularly cool because since it is part of a live tree, when we take it into the house in late winter, it has no leaves, but as it warms and drinks water the leaves begin to sprout inside. This is a particularly exciting addition to our Easter decor.
2. You can also purchase a small tree like this one (https://www.amazon.com/dp/B01LYBCE0L/ref=wl_it_dp_o_pC_nS_ttl?_encoding=UTF8&colid=8Y1ZPV62P50&coliid=I136JF4G03WOAS). It is 5 feet tall and lights up, which is fun.
3. Or, you can create a cross to display your ornaments, since the cross is really the “Jesus Tree.” One idea for doing this is placing boards together in a cross shape and pounding in nails at various places to hang the ornaments from.
4. Finally, I designed the Printable Countdown Cross for the Mini Ornaments (find it in the files included with this purchase). Once put together this cross will serve as a Countdown of sorts since there is a circle for each ornament in the Jesus Tree. Just

paste on another ornament each day. There are 2 countdown crosses included--one to color and one that is already brown.

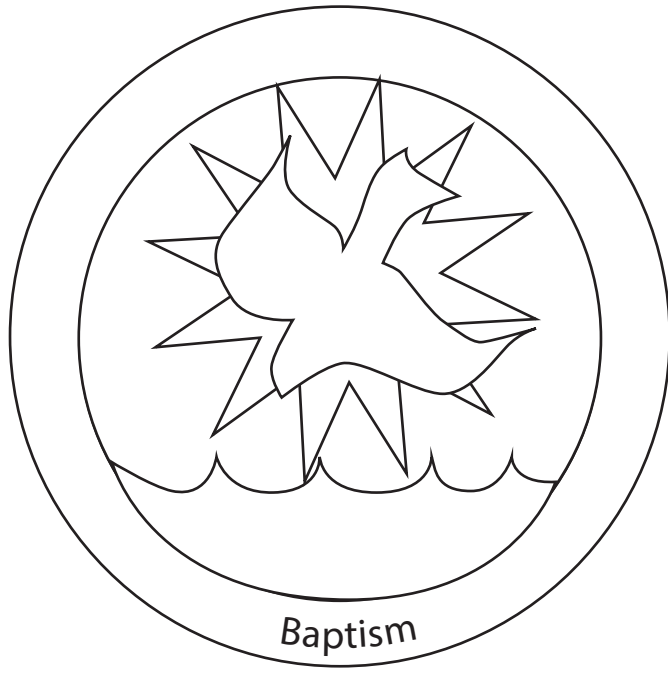

Once again, thank you for your support! And please, I would love to see your ornaments when you are done with them. Send pictures (or questions and thoughts) to me at:
