

# PRINT-AND-COLOR JESSE TREE ORNAMENTS

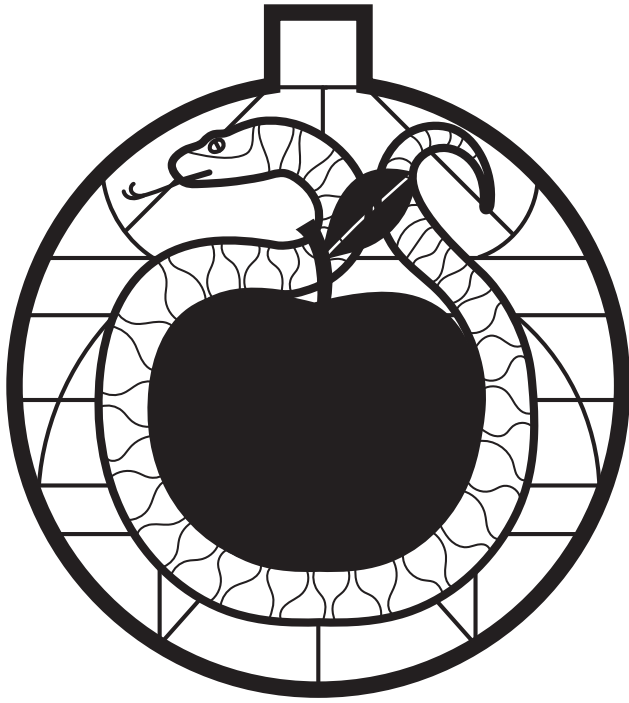

## LET'S JOURNEY THROUGH ADVENT TOGETHER!

Welcome to the Jesse Tree! The Jesse Tree traces the ancestors of Jesus. Although not everyone included in the Jesse Tree is a direct relative of Jesus, they are all part of God's Chosen People, the Israelites. God used these people to prepare the world to receive their Savior. This Advent season, wait with the ancestors of Jesus and prepare to receive the Savior at Christmas.

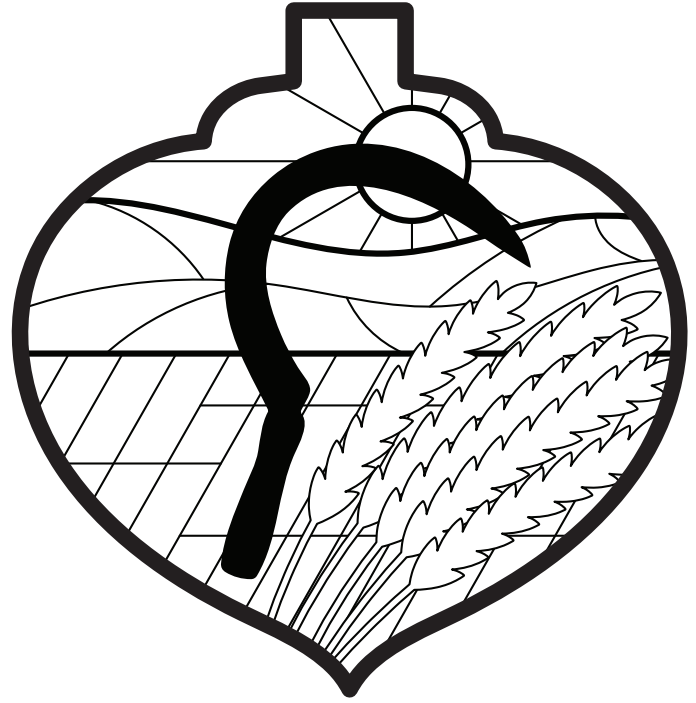

## LISTEN, COLOR, & DECORATE

Tune in to the Hallow App and listen to the Jesse Tree. Each day, Saints Alive and Catholic Sprouts will share a new story, allowing you to hear the voice of that day's Biblical figure. As you listen, color the corresponding ornament. Cut out the ornament, punch a hole at the top, and loop and tie a string through it. Then, hang the Jesse Tree ornament in your home.
